

# Roly Poly™ Snack Bag School Fundraiser

Create Less Waste! Roly Poly products help the planet and now they will help your school!

There are 3 types of Roly Poly bags:

- **Snack Bag:**  
Each bag will easily hold apple slices, pretzels, raisins, etc.

- **Sandwich Bag:**  
The sandwich bag is generously sized to accommodate almost any sized sandwich.

- **Wrap:**  
Wraps around your sandwich and doubles as a placemat. Generously sized.

Use them for school lunches, restaurant leftovers, picnics, anything you can think of...

Roly Poly Bags are: **Handmade in Asheville, NC**

**Resource savers.** When you use Roly Poly bags instead of plastic bags, you save room in landfills and use less energy in recycling plants.

**Quality made.** These bags last a long time. They are made with sturdy and durable, water-proof, BPA-free, laminated PUL fabric on the inside and fun and funky 100% cotton prints on the outside.

**Easy to use.** Roly Poly bags are dishwasher safe and machine washable. Wash on warm/cold and tumble dry medium. They line dry well, too. All bags and wraps have been prewashed/preshrunk for your convenience. The bags fold over themselves when closed so nothing falls out.

**Economical.** Use your bags over and over. You save money! Instead of buying plastic bags, purchase Roly Poly bags and use them often. You create less waste and make a wise investment.

**30% of proceeds  
from this sale go  
to your school!**

15 Fun Prints to Choose From  
See Order Form for  
Selection

They make great gifts and stocking stuffers as well!
